Participate as a sponsor or exhibitor and your company will reach top decision makers and buyers in the sector. As well as unique networking opportunities, sponsoring or exhibiting provides a targeted approach to promoting your corporate image, products and services as well as creating greater market awareness.

We have a selection of comprehensive promotional packages available but sponsorship and exhibition opportunities are now strictly limited, so don’t be disappointed.

To find out how we can help your business, please contact:

For conference sponsorship contact:
